

FEBRUARY

We are on our way to **fabulous-ness**
in **February!**

I am SO **excited** to see returning *and new* faces – and **BIG SMILES** on everyone! This music is really catching on and taking care of our sweettooths ... teeth ...well, you get the point. Attendance is great, membership is growing, and you guys are the **BEST Valentine's** EVER!

This edition is more fluff and fun than informative,
but I hope the buoyant colors and silly gnomes make you smile. *Enjoy!*

February is...

Almanacs and Horoscopes

And if you like Horoscopes – This month...

- Pisces and Sagittarius SHINE!
- Fills Taurus with friends bringing lovely changes.
- Money matters for Capricorn, Aquarius, and Leo.
- Encourages Gemini and Cancer go traveling with friends.
- Libra and Aries – don't argue with your partners!
- Virgo and Scorpio creativity flows!

Flowers

Even though so many roses are sold during February due to Valentine's Day, the **Violet** and the **Primrose** are the symbolic flowers.

- The *violet* signifies watchfulness, loyalty, and faithfulness. Give a violet to someone to let them know that you'll always be there for them.
- The *primrose* lets someone know that you can't live without them.

Weather Folklore

I
 Married in February's sleety weather,
 Life you'll tread in tune together.
 If February give much snow,
 A fine summer it doth foreshow.

II
 Fogs in February mean frosts in May.

III
 If Candlemas Day [2/2] be mild and gay
 Go saddle your horses, and buy them hay
 But if Candlemas Day be stormy and black,
 It carries the winter away on its back.

Which do YOU believe?
